

PROTOCOL
of the third round of negotiations on the implementation of Article 5.7 of the
Free Trade Agreement between the Eurasian Economic Union and its
Member States, of the one part, and the Socialist Republic of Viet Nam, of the
other part, of May 29th, 2015

05 октябрь 2017г.

N°19-61/нп

In order to develop cooperation and implement Article 5.7 of the Free Trade Agreement between the Eurasian Economic Union and its Member States, of the one part, and the Socialist Republic of Viet Nam, of the other part, of May 29th, 2015, the Delegation of the Eurasian Economic Union (hereinafter referred to as the “Delegation of the Union”) and the Delegation of the General Department of Viet Nam Customs of the Ministry of Finance of the Socialist Republic of Viet Nam (hereinafter referred to as the “Vietnamese delegation”) (hereinafter referred to as the “Parties”) on October 3-5, 2017 held the third round of negotiations on the implementation of electronic information exchange, jointly led by Mr. Nguyen Anh Tai, the Deputy Director of International Cooperation Department of the General Department of Viet Nam Customs, and Mr. Baktybek Bayserkeev, the Director of the Customs Infrastructure Department of the Eurasian Economic Commission (participants are listed in Annex 1).

During this round of negotiations:

1. The Parties discussed the draft of the Protocol between the Central customs authorities of the Socialist Republic of Viet Nam and of the Member States of the Eurasian Economic Union on the realization of the information exchange in accordance with the Article 5.7 of the Free Trade Agreement between the Eurasian Economic Union and its Member States, of the one part, and the Socialist Republic of Viet Nam, of the other part, of May 29th, 2015 (hereinafter referred as “Protocol on the information exchange”).

2. Delegation of the Union held a presentation of the Technical Specifications of the realization of the information exchange between the Central customs authorities of the Socialist Republic of Viet Nam and of the Member states of the Eurasian Economic Union (hereinafter referred as “Technical Specifications of information exchange”).

3. The Parties discussed the List of the information to be exchanged under the information exchange (Appendix 2 to the Protocol on the information exchange).

4. The Parties discussed the List of specific goods traded between the Parties of the Agreement for the trial electronic information exchange as regulated in paragraph 6.a of Article 5.7 (Appendix 3 to the Protocol on the information exchange).

5. The Parties discussed the date, venue and organizational issues with a view to preparing for the 4th round of negotiations.

The main results of discussion of the above issues are shown below.

On the Protocol on the information exchange:

The Parties agreed to consider as generally approved the draft of the Protocol on the information exchange (excluding the point 3 of the Article 4, point 4 of the Article 6, Article 7).

The Parties agreed to finalize the agreement of the point 3 of the Article 4, point 4 of the Article 6, Article 7 during the next round of negotiations.

On the Appendix 2 to the Protocol on the information exchange:

The Parties agreed to consider as generally approved the Appendix 2 to the Protocol on the information exchange (excluding the points from 10.4 to 10.15).

The Delegation of the Union informed the Vietnamese delegation, that obtaining information about the country of origin, the price of the goods and the currency code is a fundamental condition for the implementation of the Agreement.

The Parties agreed that the Vietnamese delegation will send to Eurasian Economic Commission by the November 22, 2017 its positions on the items from 10.4 to 10.8 of Appendix 2 to the Protocol on the information exchange.

The Parties agreed that the Delegation of the Union will send to the General Department of Viet Nam Customs by the November 22, 2017 its refined proposals on the items from 10.9 to 10.15 of Appendix 2 to the Protocol on the information exchange.

The Parties agreed that in accordance with paragraph 10.2 of Appendix 2 to the Protocol on the information exchange will send the detailed information at the level of 8 or 10 digits.

On the Appendix 3 to the Protocol on the information exchange:

The parties exchanged opinions on the Appendix 3 to the Protocol on the information exchange.

The Parties agreed not to form a list of individual customs authorities, since the exchange will be implemented through the Central customs authorities of the Socialist Republic of Viet Nam and of the Member States of the Eurasian Economic Union.

The Vietnamese delegation views that the list of commodities should be limited at the trial stage to ensure the efficient and smooth transmission of information. The Vietnamese delegation proposed to reduce the list of commodities to 5 subgroups (the detailing of the commodity items will be carried out at the level of 6 digits).

The Vietnamese delegation will send to Eurasian Economic Commission by the October 31, 2017 its proposals on the list of commodities to be transmitted by EAEU during the stage of the trial information exchange.

The delegation of the Union agreed to define the detailing of the commodity items to the 6 digits.

The delegation of the Union agreed to consider the proposals of the Vietnamese delegation on the reduction of the list of goods and to send its proposals to the General Department of Viet Nam Customs by the October 31, 2017.

On the Appendix 1 to the Protocol on the information exchange:

The delegation of the Union held a presentation of the draft of the Technical Specifications of information exchange and informed about the necessity of refining of the presented version of the draft taking into account the discussion of the Parties at the round of negotiations, as well as proposals and comments of the Central customs authorities of the Member states of the Union.

During the presentation, the delegation of the Union presented, as a part of the draft, options to ensure information security. It was proposed for discussion to

implement the protection of data transmission channel using a VPN or TLS connections.

The Vietnamese delegation proposed to implement channel protection using TLS connection, and to use the technological/electronic signature, which is generated by the server, without the third trusted party's verification organization. It was also noted that encryption is only necessary at the channel level, additional encryption of the electronic message is not required at this stage.

The Parties agreed to continue consultations on the way of implementation of the protection of the channels protection, including the possibility of usage of the VPN connection over Internet.

The Vietnamese delegation agreed to consider the draft of Technical Specifications of information exchange (version 01.00) sent by the Eurasian Economic Commission on September 30, 2017, and to send its proposals via e-mail by November 3, 2017 to the focal points of the Union, responsible for the development and approval of the document.

The Parties agreed that additional consultations on the Technical Specifications of information exchange (if necessary) will be held through correspondence by e-mail or by the organization of a videoconference, where applicable.

Delegation of the Union when receiving proposals, agreed to consider them and develop a coordinated position before the fourth round of negotiations.

The Parties agreed to discuss the draft of the Technical Specifications of information exchange during the fourth round of negotiations with the participation of the focal points of both Parties, technical and IT specialists of the Central customs authorities of Member states of the Union and Viet Nam, and software developers.

The Parties agreed to speed up the process of negotiations and the preparation of the Protocol on the information exchange for signing before the end of the first quarter of 2018.

The parties tentatively agreed to hold the fourth round of negotiations in December 2017 in Moscow (Russian Federation). The round of negotiations shall be held in Vietnamese and Russian, the protocol of the round will be signed in English.

The Eurasian Economic Commission will send to the General Department of Viet Nam Customs refined proposals on the date, venue and the agenda of the fourth round in working order.

The General Department of Viet Nam Customs will send information on the members of the fourth round of negotiations to the Eurasian Economic Commission.

This protocol is signed in Hanoi (the Socialist Republic of Viet Nam) on October 5, 2017 in two copies in English.

Annex 1. List of participants of the second round of negotiations.

Annex 2. The draft of the Protocol on the information exchange with Appendices 2 and 3.

PROTOCOL

**between the Central customs authorities
of the Socialist Republic of Viet Nam
and of the Member States of the Eurasian Economic Union
on the realization of the information exchange in accordance with the Article 5.7
of the Free Trade Agreement between the Eurasian Economic Union and its
Member States, of the one part, and the Socialist Republic of Viet Nam, of the
other part, of May 29th, 2015**

**The Ministry of Finance (General Department of Viet Nam Customs) of
the Socialist Republic of Viet Nam and the State Revenue Committee under the
Government of the Republic of Armenia, the State Customs Committee of the
Republic of Belarus, the State Revenue Committee of the Ministry of Finance of
the Republic of Kazakhstan, the State Customs Service under the Government
of the Kyrgyz Republic and Federal Customs Service of the Russian Federation
(hereinafter referred to as “Parties”),**

**in accordance with Article 5.7 of the Free Trade Agreement between the
Eurasian Economic Union and its Member States, of the one part, and the
Socialist Republic of Viet Nam, of the other part of May 29th, 2015 (hereinafter
referred to as “Agreement”),**

have agreed as follows:

(Parties agreed to name the Articles.

Parties need further consultations on the names of Articles).

Article 1

Definitions

For the purpose of this Protocol, the following terms shall be defined as follows:

1. “Information” means relevant and authentic structured data from customs declarations and transport documents on goods exported from the territory of a Member State of the Eurasian Economic Union into the territory of the Socialist Republic of Viet Nam and exported from the territory of the Socialist Republic of Viet Nam into the territory of a Member State of the Eurasian Economic Union.

2. “Integrated information system of the Union” means a set of geographically distributed state information resources and information systems of authorized authorities, information resources and information systems of the Eurasian Economic Commission, combined by the national segments of the Member States of the Eurasian Economic Union and the integration segment of the Eurasian Economic Commission.

3. National Single Window of Viet Nam means the mechanism which allows for the customs declarant to send information and electronic documents for completion of customs procedures and procedures of state management agencies related to exported and imported goods through an integrated information system.

Article 2

[VN: Scope and principle of application]

1. This Protocol shall apply to electronic information exchange between the Parties for the purpose of facilitating the performance of customs operations, expediting the release of goods and preventing violations of customs laws and regulations.

2. The electronic information exchange is implemented on a regular basis in accordance with technical specifications defined in Appendix 1 of this Protocol, which is a restricted (confidential) document.

The Parties shall ensure the protection of information contained in this Appendix in compliance with its respective rules and regulations.

Article 3

[VN: Exchange of information]

1. The Parties provide the relevant information not later than [2 hours] after the release of export goods.

(Parties need the additional consultations on time interval)

2. Requirements and specifications for the operation of electronic information exchange, data structure and level of service requirements are defined in Appendix 1 of the Protocol.

3. List of information parameters to be exchanged among the Parties is defined in Appendix 2 of the Protocol.

4. In accordance with point 6 of Article 5.7 of the Agreement, the implementation of electronic information exchange shall be divided into the stages.

From [October 5, 2018], the Parties of this Protocol shall establish trial information exchange on particular goods traded between the Parties of the Agreement. The list of goods for the trial electronic information exchange is defined in Appendix 3 to this Protocol.

From October 5, 2019, the second stage of electronic information exchange shall begin to be implemented. The list of goods for the information exchange on this stage shall be defined in an appendix to this Protocol.

From October 5, 2021, the third stage of electronic information exchange shall begin to be implemented, while the Parties of this Protocol shall provide the application of information exchange covering all goods traded between the Parties of the Agreement.

5. Information exchanged among the Parties shall be in Vietnamese or Russian language.

Information on individual details can be presented using the Latin alphabet.

Article 4

[VN: Transmission and Exchange of Data and Information]

1. The information exchange is carried out with the use of the Integrated information system of the Union and National Single Window of Viet Nam.

2. Data and information transmitted, exchanged and disseminated to another Party shall be used and maintained in accordance with the provisions of this Protocol.

[VN:

~~3. The Parties shall establish and maintain regulations to enable the cross-border transmission and exchange of information for the purpose of this Protocol. Such transmission and exchange shall be subject to the consent of the trader submitting the data and information where such consent is required by national law, and shall be made in accordance with this Protocol.]~~

~~3. Transmission and exchange of information shall be made in accordance with the Article 1.8 of the Agreement.~~

(EAEU proposes not to include point 3 to the Article.

VN proposes new wording.

Parties need further consultations)

Article 5

[VN: Standardized information]

For purposes of electronic information exchange, the Parties shall be guided by World Customs Organization Data Model, or, where appropriate, any other data model defined in Appendix 1 of the Protocol.

Article 6

[VN: Information Security and Confidentiality]

1. Any information exchanged under this Protocol shall be treated as confidential, shall only be used for customs operation purposes, and shall not be transferred to third parties without written consent of the Party that has provided such information.

2. Information security in the integration segment of Integrated information system of the Union is provided by Eurasian Economic Commission.

Information security in the national segments of Integrated information system of the Union is provided by Member States of Eurasian Economic Union.

3. Information security in the National Single Window of Viet Nam is provided by Viet Nam.

4. Arising matters related to information security of the information transmission line between the Parties which go beyond the scope of Integrated information system of the Union and the National Single Window of Viet Nam shall be jointly addressed by the Parties.

4. Technical aspects of implementation of information security and confidentiality requirements are defined in Appendix 1 of the Protocol.

(Parties need further consultations)

(EAEU proposes to exclude point 4 proposed by VN)

Article 7

[VN: Integrity of Data]

[EAEU:

Data integrity requirements and measures that will ensure the integrity of electronic data and information that is transmitted and exchanged, at all stages of its creation, transmission and storage, are defined in Appendix 1 of the Protocol.]

[VN:

1. The Parties shall adopt data integrity requirements and measures that will ensure the integrity of electronic data and information that is transmitted and exchanged.

2. Each Party shall ensure that its system adopts such data integrity requirements and standards to electronic archiving and data retention as well as with those for authentication purposes as provided for in this Protocol.]

(Parties need further consultations)

Article 8**[VN: Focalpoint]**

The Parties shall designate and inform each other about the contact point responsible for monitoring and supervising the implementation of this Protocol.

Article 9**Interaction in the events of emergency situations**

1. In case where there is a reliable ground or evidence on the violation of national law of one Party in relation to the incorrect declaration or fail of declaration of the goods of which information is exchanged in accordance with this Protocol any Party may delay the exchange of that information until the cause of that violation is verified.

2. The Party prevented from or delayed in performing its obligations under this Protocol shall immediately notify the other Parties giving full particulars of the event and the reasons for the event preventing it from, or delay it in performing its obligations under this Protocol, and that Party shall use all possible efforts to mitigate the effect of such event.

Upon cessation of such events, the Party affected shall as soon as reasonably practicable recommence the performance of its obligations under this Protocol.

Article 10**Dispute settlement**

Any disputes arising within the realization of this Protocol shall be settled through consultations and negotiations.

Article 11**Amendments**

By mutual consent of the Parties, this Protocol may be amended by separate protocols, which shall constitute an integral part of this Protocol.

Article 12
Entry into force

This Protocol shall enter into force after [EAEU: 10 months] from the date of its signing.

(Parties agreed to define the specific date of entry into force of the Protocol at the final stage of the negotiation.)

DONE at, this day of 20..... in six originals, in the English language.

APPENDIX 3

to the Protocol
between the Central customs authorities
of the Socialist Republic of Viet Nam
and of the Member States of the Eurasian
Economic Union
on the realization of the information
exchange in accordance with the Article 5.7
of the Free Trade Agreement between the
Eurasian Economic Union and its Member
States, of the one part, and the Socialist
Republic of Viet Nam, of the other part, of
May 29th, 2015

**List of specific traded goods
traded between the Parties of the Agreement for the trial electronic information
exchange as regulated in paragraph 6.a of Article 5.7**

(Parties agreed not to form a list of individual customs authorities of the Parties, since the exchange will be realized through the central customs authorities.

VN proposes to reduce the list of commodities to 5 subgroups (the detailing of the commodity items will be carried out at the level of 6 digits).

EAEU agreed to define the detailing of the commodity items to the 6 digits.

EAEU reserves its position on the amount of subgroups.

Parties will send to each other their proposals on the list of commodities.

The Parties agreed to exchange information with details of up to 8 or 10 digits)

Viet Nam side shall transmit information on the following commodity items:

[EAEU tentative proposal:

No.	Code	Description
1	0902	Tea, whether or not flavoured
2	1006	Rice

No.	Code	Description
3	1902	Pasta, whether or not cooked or stuffed (with meat or other substances) or otherwise prepared, such as spaghetti, macaroni, noodles, lasagne, gnocchi, ravioli, cannelloni; couscous, whether or not prepared
4	1905	Bread, pastry, cakes, biscuits and other bakers' wares, whether or not containing cocoa; communion wafers, empty cachets of a kind suitable for pharmaceutical use, sealing wafers, rice paper and similar products
5	2008 20	Pineapples
6	2103	Sauces and preparations therefor; mixed condiments and mixed seasonings; mustard flour and meal and prepared mustard

12	6203	Men's or boys' suits, ensembles, jackets, blazers, trousers, bib and brace overalls, breeches and shorts (other than swimwear)
13	6204	Women's or girls' suits, ensembles, jackets, blazers, dresses, skirts, divided skirts, trousers, bib and brace overalls, breeches and shorts (other than swimwear)
14	6402	Other footwear with outer soles and uppers of rubber or plastics
15	6403	Footwear with outer soles of rubber, plastics, leather or composition leather and uppers of leather
16	6405	Other footwear

EAEU side shall transmit information on the following commodity items:

[VN tentative proposal:

No.	Code	Description
1	100199	Wheat and meslin.
2	100590	Maize (corn) (Other)

No.	Code	Description
3	110720	Malt
4	030363	Fish, frozen, excluding fish fillets and other fish meat of heading 03.04. - - Cod (<i>Gadus morhua</i> , <i>Gadus ogace</i> , <i>Gadus macrocephalus</i>)
5	030367	Alaska Pollack (<i>Theragra chalcogramma</i>)
6	030390	Fish, frozen, excluding fish fillets and other fish meat of heading 03.04. - - Livers and roes
7	030614	Crabs
8	Chapter 4	Dairy products; bird's eggs; natural honey; edible products of animal origin
9	Chapter 22	Beverages, spirits and vinegar
10	230230	Bran, sharps and other residues, whether or not in the form of pellets, derived from the sifting, milling or other working of wheat
11	2401.	Unmanufactured tobacco; tobacco refuse.
12	2403.	Manufactured tobacco
13	252490	Asbestos.
14	261710	Other ores and concentrates. - Antimony ores and concentrates
15	270111	Anthracite
16	270112	Bituminous coal
17	270119	Coal; briquettes, ovoids and similar solid fuels manufactured from coal. - - Other coal
18	270900	Petroleum oils and oils obtained from bituminous minerals, crude.
19	271012	Petroleum oils and oils obtained from bituminous minerals, other than crude; preparations not elsewhere specified or included, containing by weight 70% or more of petroleum oils or of oils obtained from bituminous minerals, these oils being the basic constituents of the preparations; waste oils. - - Light oils and preparations
20	271019	Petroleum oils and oils obtained from bituminous minerals, other than crude; preparations not elsewhere specified or included, containing by weight 70% or more of petroleum oils or of oils obtained from bituminous minerals, these oils being the basic constituents of the preparations; waste oils.
21	Chapter 28	Inorganic chemicals; organic or inorganic compounds of precious metals, of rare-earth metals, of radioactive elements or of isotopes.
22	Chapter 29	Organic chemicals
23	Chapter 30	Pharmaceutical products

No.	Code	Description
24	Chapter 31	Fertilisers
25	Chapter 33	Essential oils and resinoids; perfumery, cosmetic or toilet preparations
26	390210	Polypropylen
27	390311	Polyme of styrene, in primary forms. Polystyrene, expansible
28	392510	Builders' ware of reservoirs, tanks, vats and similar containers, of a capacity exceeding 300 l, not elsewhere specified or included.
29	400220	Butadiene rubber (BR)
30	400231	Isobuten-isopren (butyl) rubber (IIR)
31	400299	Synthetic rubber and factice derived from oils, in primary forms or in plates, sheets or strip.
32	Chapter 44	Wood and articles of wood; wood charcoal
33	480421	Uncoated kraft paper and paperboard, in rolls or sheets, unbleached
34	710231	Diamonds unworked or simply sawn, cleaved or bruted.
35	720110	Non-alloy pig iron containing by weight 0.5% or less of phosphorus
36	720720	Semi-finished products of iron or non-alloy steel - Containing by weight 0.25% or more of carbon
37	720839	Flat-rolled products of iron or non-alloy steel, of a width of 600mm or more, hot-rolled, not clad, plated or coated. - of a thickness of less than 3mm
38	720851	Flat-rolled products of iron or non-alloy steel, of a width of 600mm or more, hot-rolled, not clad, plated or coated. - of a thickness exceeding 10mm
39	720852	Flat-rolled products of iron or non-alloy steel, of a width of 600mm or more, hot-rolled, not clad, plated or coated. - of a thickness of 4,75 mm or more but not exceeding 10 mm
40	720916	Flat-rolled products of iron or non-alloy steel, of a width of 600mm or more, cold-rolled, not clad, plated or coated. - of a thickness exceeding 1 mm but less than 3 mm
41	720917	Flat-rolled products of iron or non-alloy steel, of a width of 600mm or more, cold-rolled, not clad, plated or coated. - of a thickness of 0,5 mm or more but not exceeding 1 mm
42	722511	Flat-rolled products of other alloy steel, of a width of 600mm or more. - - Grain-oriented
43	730419	Line pipe of a kind used for oil or gas pipelines
44	730429	Casing, tubing and drill pipe, of a kind used in drilling for oil or gas
45	730840	Equipment for scaffolding, shuttering, propping or pit-propping

No.	Code	Description
46	760120	Unwrought aluminium alloys
47	780110	Unwrought lead - Refined lead
48	780199	Unwrought lead - Other
49	790111	Unwrought zinc - - Containing by weight 99,99% or more of zinc
50	840820	Engines of a kind used for the propulsion of vehicles of Chapter 87
51	850239	Electric generating sets and rotary converters. - Other
52	854231	Electronic intergrated circuits.
53	870190	Tractors (other than tractors of heading 87.09)
54	870422	Motor vehicles for the transport of goods. -- g.v.w exceeding 5 t but not exceeding 20 t
55	870423	Motor vehicles for the transport of goods. -- g.v.w exceeding 20 t
56	880330	Parts of goods of heading 88.01 or 88.02. - Other parts of aeroplanes or helicopters
57	903149	Measuring or checking instruments, appliances and machines, not specified or included elsewhere
